Means of attracting not only industry but tourists or week-enders to San Mateo County were considered Tuesday by the San Mateo County Development Commission, which also decided that its membership of five should be doubled in order to give representation to more sections of the county, particularly the Coastside.

Launching what it hopes will be the start of a campaign to induce residents of other bay regions and the Santa Clara and San Joaquin Valleys to look upon San Mateo County's beaches and parks as places to come for outings or for weekends, the commission delegated its chairman, Henry Witte of Redwood City, as a committee of one to investigate possibility of promoting the recreational advantages offered by the Peninsula. He plans to contact newspaper publishers, representatives of San Francisco Peninsula Inc., the community advertising organization, and other sources for recommendations as to type of campaign that would be needed.

The commission, which includes on its membership J. H. Sullivan of Menlo Park, Fred Drake of San Carlos, F. J. Chittenden of San Mateo, and Percy Shaw of South San Francisco, also:

1. Went on record favoring development of a road to Blair Island, near the Port of Redwood City, so that this acreage can be offered to industry. Dan St. George of Belmont reported that rights-of-ways had been secured, that the standard dredging Co. had offered the necessary fill and rock, and that the re-

The men examined the visible gasoline test meter which is recording mileage under a variety of weather and driving conditions. Inset shows, left to right, Towne and Chief of Police Collins studying the tester. The official test car is due here Jan. 30 and will spend the afternoon in exhibition runs.

ANSWERS TO LOCAL QUESTIONS ARE SOUGHT BY R. C. CHAMBER

Do you know your history? If so, what do you know about your own Redwood City? Yes, Redwood City has a history, and according to the questions propounded by the local chamber of commerce, through its historian, Roscoe D. Wyatt, an interesting one at that.

Convinced of the fact that Redwood Cityites should know more about their own town, Manager Hal Honore of the Fox Sequoia Theater, together with

Manager Jack Thorson of the Redwood Theater, have made it possible for interested localities to gain reward for their prowess as local historians, by publishing the chamber of commerce questionnaire, consisting of 20 varied questions relative to Redwood City, on page 3 of tomorrow's Redwood City Tribune.

The two theaters are sponsoring "Opportunity Week," during

which time they are booking the outstanding films in the picture market for local showing, and also have arranged several special events of interest to local theatergoers.

Guest tickets will be awarded those who answer at least 15 out of the 20 questions correctly, and it is hoped that readers of the Tribune will avail themselves of the opportunity to compete for the tickets.

Get a copy of tomorrow's Tribune, turn to page 3, and have a lot of fun.

Kenneth Devine Joins 'Pro' Football Ranks

Kenneth Devine, Washington State College student body president, captain of that college's football team last season, and brother of Clyde Devine, Sequoia High School coach, has signed a contract to play professional football with the New York Giants. Devine, son of Mrs. Andrew Devine of San Mateo, formerly of Redwood City, is to receive \$120 a game, it was reported.

Democrats To Map 1940 Campaigns

Democrats of the eighth congressional district are urged to meet Feb. 3 at 2:30 p.m. in the Cominos Hotel, Salinas, to make plans for the 1940 presidential and congressional campaign, according to Dr. J. M. O'Donnell, chairman, and Martin S. Walsh, secretary, of the newly-formed

"Eighth Congressional District Association of Democrats for 1940." Officers and executive committeemen of the organization will meet at lunch prior to the session.

**COUNTY ORGANIZATION
TO MEET ON FRIDAY**

James J. Kehoe of San Mateo,

state and county president of the Young Democrats, today announced the county organization would meet Friday at 8 p.m. at the Benjamin Franklin Hotel, San Mateo. Purpose of the meeting will be to map 1940 policies of the organization, and to consider plans for sponsoring a March of Dimes dinner in San Mateo County.

PATROLMEN WIN BACK PAY

Practically all members of the San Mateo County squad of the California Highway Patrol will share in \$50,000 to be paid to patrol members for back pay, officers said today. The patrolmen sued in August when the State Personnel Board cut their pay to a \$190 minimum, despite a previous order establishing the minimum at \$200.

MENLO PARK NEWS NOTES

J. LUNDSTROM ILL

J. Lundstrom, proprietor and owner of the Palm Hotel, is in a San Francisco hospital threatened with pneumonia. Mr. Lundstrom has many friends in Menlo Park who hope he will soon be convalescent.

Though the city election is more than two months off, there is some murmur of a contest among the electors. Three councilmen go out and it is possible there will be a scramble for the places. The treasurer and clerk will not be opposed; both incumbents are doing a good job and will not be disturbed.

Julia Ferioli, 15, daughter of Mr. and Mrs. Jule Ferioli, University Drive, Menlo Park, passed away Thursday last and was buried from the Church of the Nativity Saturday morning. She was a lovely girl, well liked by her companions and popular with her teachers.

The city council has ordered neon lights to be put on the city hall this week. On the building facing the highway will be "City Hall, Menlo Park" and on the Santa Cruz side of the city hall, "Police Department." The lights will be a distinct city improvement.

Dr. Guy Manson of Fresno and his charming wife spent the weekend at the home of the latter's sister, Mrs. Dorothy Fredricks, on Oak Grove Ave. Their two young sons are students at Stanford.

O. Johnson, the gateman at Oak Grove crossing, is quite ill at the Southern Pacific Hospital in San Francisco. Mr. Johnson suffered a heart attack last week and was removed immediately to the hospital.

James Cain passed away at the home of his sister, Mrs. Bogie, Tuesday morning. He was coming from San Francisco when he suffered a heart attack and died as he reached his sister's home. Mr. Cain was a native of Kansas, aged 77 years. He visited his relatives here almost every week. He is survived by his sisters, Mrs. Maltoff and Mrs. Bogie, a brother, John Cain, and a nephew, Robert Cain, all of Menlo Park. Mr. Cain had been engaged in business in San Francisco for many years.

Monday evening the fire department was called out to extinguish a blaze in the Peninsula Photograph building on Cambridge St. The studio was partly destroyed. The loss was estimated at \$800. Only the timely

arrival of the department saved the structure.

Past President's Association No. 9 of the Native Daughters of San Mateo County met at the home of Mrs. Clarence Junker Thursday evening. After meeting the officers were installed by Past Pres. Catherine Derry of Menlo Parlor. The following are the officers: Past Pres. Miss Eleanor Foley; president, Mrs. Robert Brown; first vice president, Mrs. Clarence Junker; second vice president, Mrs. Homan Moore; third vice president, Mildred Foley; marshal, Mrs. Lloyd Ryan; treasurer, Mrs. Jack Doyle; financial secretary, Mrs. William Ryan; recording secretary, Mrs. Joseph Loverich; organist, Mrs. Frances E. Maloney; directors, Mrs. Mamie Glennan, Mrs. Henry Bartels, Mrs. Edward Gould, Mrs. Catherine Derry, Mrs. Dora Wilson, Outside sentinel, Mrs. Curtis Rayer, inside sentinel, Mrs. Bernard Bernasque. After the meeting cards were enjoyed and delicious refreshments were served by the hostesses, the Misses Mildred and Eleanor Foley of San Bruno Parlor. Mrs. Mamie Glennan presented each member with a vase filled with flowers.

A number of the members of Menlo Parlor will accompany Deputy Grand President Mrs. Eloise Lancastremere (Eloise Rathje) to San Bruno Wednesday evening when she will install the officers of that parlor.

On next Tuesday evening Palo Alto Parlor Native Daughters will give their annual Homeless children's card party. This affair will take place in the Native Sons Hall, Palo Alto. Score cards are 25c and game starts at 8:15.

Tonight, in Native Sons Hall, Palo Alto, the members of Palo Alto Council Knights of Columbus will give a card party for their charity fund. Score cards are 25c and game starts at 8:15.

Menlo Parlor NDGW will be hosts to the county parlors at the monthly dinner to be given in Menlo Park. A committee is working on plans to make this the best affair so far.

Isabel Weeden Lindquist, 26th District American Legion chairman of hospital entertainment, provided the following program for the patients at the Veterans Administration Facility in North Palo Alto Friday:

"Marge Goes Modern" by Otis M. Carrington, Sequoia High

School instructor. The cast includes Marie Belanger, Margie Danetta Ehrlington, Sophie; Alberta Arendt, Janice; Helen Steele, Helen; Patte McArdle, Madam Raphael; Margaret Wright, Jane Brown; Marjorie Penez, June Hersey, Donna Jean Baker, Delores Patchen and Betty Dilg, trustees; Gloria Gray, accompanist; Peggy Raff, Marguerite Wirth, Seraphina Faia, La Verne Hewitt, Marjory Laurence, Colleen Hayes, Lois Frager and Charlotte Proven, chorus.

Gloria Fischer in a tap dance and baton drill. Piano solos by Wilda Enos, blind pianists of San Jose State College. Soprano solos by Alma Carrington, accompanied by Wilda Enos. Community singing by the audience led by Mr. Carrington with Wilda Enos at the piano.

Presentation of athletic awards to patients. Charles Stocker of Belle Haven City Post 427 was master of ceremonies. Dr. Chester Carlisle, clinical director of the facility, gave an interesting talk on "How Athletics Helps the Patients."

The winning baseball team, Ward 14 (the White Sox), was given a framed picture of the team and an inscribed plate by Burlingame Post 163 and small baseball charms were given to the members of the winning team of 1939—C. Houser, L. Fitzgerald, L. McReynolds, Ted Breen, M. Wooley, George Stoneham, E. Landrigan, Pat Rooney, Paul Kennedy—by the following posts: Belmont 377, Menlo Park 443, San Bruno 409, Daly City 410, San Mateo 82. Citation cards for the second place baseball team—the Red Sox—were presented by Belle Haven Post 472 to W. H. Smith, M. Godfrey, B. Kook, H. Heidman, F. Street, N. E. Connolly, Peter Bim, I. Willcuts, John Watson.

Sunday, Mar. 10, Miss Alma Williams is to present the Women's Glee Club at the Little Theater at San Jose State Col-

lege. At that time Wilda Enos, blind pianist, will play a movement from the Concerto in F by Gershwin.

New York City has had 103 mayors.

Bowling Ward 14 received a framed picture of the winning team and plate from Redwood City Post 105 and small bowling charms were presented to the following patients by San Mateo Post 22, Millbrae Post 417 and Bayshore Post 473: Joe Pehr, J. H. Moore, C. Howser, L. McReynolds, N. E. Connolly.

Annex Team Bowling second place citations were given by Half Moon Bay Post 474 to B. Kook, Eddie Sundalone, M. Godfrey, Robert Brown, Peter Sabatowitch. Cards were presented to high score bowlers N. E. Connolly, first score, 223, and F. Street, second score, 221. Engraved plate and citation were presented to marble champions by 40 & 8 Society to N. E. Connolly and F. Street. South San Francisco Post 355 presented an engraved plate and cards to Roy Driggers and E. Wickersham for swimming.

For tennis engraved plate and cards were awarded G. Schaftey, George Stoneham by Peninsula Women's Post 506, Sharp Park Post 559 presented medals to bridge champions J. E. Walters and B. Love, Team 1, and E. Andrews and John Bowers, Team 2. Horseshoe champions Abel Rivera, first and F. Street, second, received the 26th District medals. F. Street received the medal given by Joe Madden, chef de gare of San Mateo County Vulture, for umpiring the "Little World Series." Peter Peppo received a very special award as did Scorekeeper E. Madison from Past Comm. Charles Stocker of Belle Haven Post 472.

CHRISTMAS LIGHTS TO BRING JOY — INDIRECTLY — TO FINNS

The lights that glowed so brightly they brought a \$12.50 award to Lester F. Prior, 347 Durlston Rd., in the outdoor Christmas tree contest sponsored by the Redwood City Lions Club will be reflected in faces of wounded non-combatants in Finland made happier by gifts from the United States.

This was assured today after Prior had turned over to the Finnish Relief Fund being collected through the Tribune the check given him by the service club.

In endorsing the check to the relief fund, Prior, stated:

"Through your columns I wish to thank the Lions Club, the Redwood City Chamber of Commerce, and the City of Redwood City, also the judges who most graciously adjudged my home as the best decorated for outdoor decorations during the last Christmas contest.

"I am enclosing herewith the original check for \$12.50 which was the prize for the above, with the instructions that you add this amount to the Finnish Relief Fund. Along with this I add a prayer—that this little donation will help find that long sought for happiness, 'Peace on Earth, Good Will Toward Man'."

Total now contributed in Redwood City through the Tribune and the First National Bank is \$894.50. Recent contributions include \$5 from the Redwood City Sewing Club; \$20 from Harriet

R. Hohn; \$1 from "A Friend"; \$10 from S. H. Palmer.

The funds are being forwarded by this newspaper and the bank to the Finnish Relief Fund Inc., headed by former President Hoover, in New York. That organization has now collected \$1,000,000 which has been sent to Finland, he announced yesterday.

Social Position Reversal Play Theme

STANFORD UNIVERSITY, Jan. 22—What one man thinks the world would be like if the social positions of men and women were reversed will be enacted in Stanford University's Memorial Hall on Feb. 1, 2, 3 at 8:15 o'clock.

The man is Julian Thompson, and the play is "The Warrior's Husband," the comedy which starred Katharine Hepburn on Broadway, and was later made into a hit movie with Elissa Landi, Marjorie Rambeau and Ernest Truax.

Star of the play is Sapiens, played by Norman Ross. He is the Amazon queen's flighty little husband who entertains grandiose ideas about becoming ruler over his blustering wife.

Mica was one of the finest minerals mined in North Carolina. Tons of debris on the site of ancient dumps testify to extensive operations by Indians in western North Carolina.

FOX SEQUOIA SCREENS SWANEE RIVER

Those colorful, romantic days of minstrels and river boats, when a stormy love wrote the songs that are America's own, are brought stirring to the screen in "Swanee River," 20th Century-Fox's story of Stephen C. Foster, the great American troubadour. Don Ameche and Andrea Leeds (above), are featured with Al Jolson in the Technicolor film opening Sunday at the Sequoia Theater. "The Honeymoon Is Over" will also be shown.

Hospital Wing At S. F. Urged

Resolution to petition Congress for an addition to Fort Miley Hospital, San Francisco, to take care of veterans from the Veterans' Administration Facility in North Palo Alto who are in need of immediate hospitalization was passed at the Eighth District meeting, Veterans of Foreign Wars, Sunday at the Palo Alto Veterans' Building.

More than 100 persons attended. Those from Redwood City were VFW Comm. C. E. Rudisill and Mrs. Rudisill, Junior Vice Comm. William Hanley, Officer of the Day J. E. Johnson and Mrs. Johnson, Adj. Walter Herman, Patriotic Instructor Joseph Saligari, Past Comm. Clayton H. Heald and Mrs. Heald, Past Comm. Joe Farr and Mrs. Farr.

Albin E. Esterberg, Mr. and Mrs. Harry Miller, Elmer Browne, Mrs. Harvey Robbins, and Mr. and Mrs. Joe M. Foulks.

The resolution asking the Fort Miley Hospital addition came on the heels of an announcement by Dept. Liaison Officer Herman Kruthof of Fort Miley Veterans' Facility that the War Department has canceled all future commitments of sick veterans to Letterman General Hospital because of the large-scale current

movement of troops in this area. Speakers included William H. Augustus, San Mateo County clerk and a member of San Mateo Post 2068, VFW; Arthur Adams, exalted ruler of the Palo Alto Elks; Mayor Lorenz Costello of Palo Alto, Charles P. Cooley, Santa Clara County supervisor, Col. P. J. Lasche, manager of the Veterans' Facility in North Palo Alto; Matthew Beaton, member of the California Veterans Welfare Board, and

Past Dept. Comm. William Wilson. Date of the next encampment was set by Willis J. McCaleb, general chairman, for June 23-26 inclusive.

Robert L. Strong, Post 888, Santa Cruz, was elected district chaplain and Beaton was unanimously endorsed for the office of department junior vice commander.

Accidental Air Record

A British single-seat "Spitfire" plane, like that diagrammed above, set a new, but accidental, speed record said Air Ministry officials, when it dived from a height of 23,000 feet at an estimated speed of 650 to 700 miles an hour. The pilot, unconscious during part of the descent, came in time to pull the plane out of the dive and land safely.

'Picture Packard' Contest Planned

There are at least 20,000,000 amateur-owned cameras in America. From Jan. 15 to Mar. 15 there is going to be a shuttering of shutters among the vast majority of this number. It's going to be a field day for camera fans.

Over the 60-day period the Packard Motor Car Co. will conduct a country-wide contest for amateur photographers. To those judged to have made the five best pictures of 1940 Packard cars will be awarded five brand new Packard cars. To the runners-up will go \$3600 in cash prizes. In addition there are to be 150 silver and bronze awards of honor.

Packard held contests for amateur photographers at the recent New York and Chicago automobile shows. Cars and cash were given the winners. Each contest was such a success and demand was so great for a repetition on a broader scale that Packard decided upon this nationwide competition.

Packard calls it the "Picture Packard" contest. Rules are simple and all over the country Packard dealers stand ready to explain them and to lend many other aids. Pictures entered, it is pointed out, must be those of 1940 Packards. They can be snapped in any kind of setting, with or without models. Originality is expected to be one of the big determining factors.

"One of the fine things about the contest is the fact that anyone, even a youngster with a lowly dollar picture box, has a chance to win a Packard car," said W. M. Packer, Packard's vice president of distribution. "Oftentimes sheer luck combines all the circumstances to make a prize picture."

The boiler of the U.S.S. Sheridan, a federal gunboat wrecked during the Civil War, may still be seen above the water line near Rodanthe, N. C.

THIRTEEN SENIORS PREPARING TO GRADUATE THIS SEMESTER

A lull in social and extra-curricular activities was evident at Sequoia High School this week, before the storm of end-semester examinations for students next week, several of whom will be taking tests for the last time.

Only 13 students tentatively were scheduled to graduate at mid term, compared to 26 last year, according to Vice Principal Miss Julianne Walters.

Those listed as "probable" graduates include Joe Busa, Adrienne Chapman, Richard Combs, Evelyn Howe, Edward Morris, Masao Nobeta, Bob Nash, Alexander Pappas, Merlin Peterson, W. J. Purcell.

Lewese Raliden, Ruth Snyder and Jose Torres.

Meanwhile, Vice Principal Donald L. Bogle was considering where to put the 140 incoming freshmen students from McKinley Elementary, Ravenswood and Menlo Park Schools. McKinley is expected to send 111 of the 140, Ravenswood 18 and Menlo Park 13, Bogle said.

ENTERTAINMENT PLANNED

Before these neophytes are turned into the rigors of high school academic life on Feb. 5, opening of the Spring semester, they will be introduced to the school's customs, traditions and classrooms next Monday from 3:15 to 5 p.m.

On the entertainment bill for the freshmen will be music by Otis Carrington's choral group, dancing by Miss Virginia Stone's girls, tumbling by Joe Reginato's tumbler and speeches by various members of the Freshman-Sophomore Council, which is staging the show. After the entertainment refreshments will be served in the school cafeteria.

All visitors will be picked up at their various schools and returned home by bus, Bogle explained.

1900 ENROLLMENT SEEN

With the incoming freshmen, the total enrollment will move ahead of the 1900 mark for the first time in history, attendance secretaries predicted. At the end of the Fall semester last year, the total enrollment was 1837. At the present time there are 110 more students in classes than a year ago.

By way of ending the Fall semester and opening the Spring semester, the Sequoia sophomores will hold their annual Sophomore Hop Feb. 3. A co-educational sports night is billed for Feb. 5.

Frequent Visitor To Peninsula Dies

MENLO PARK, Jan. 24.—James H. Cain, 77, San Francisco bookstore owner who for years had spent his weekends on the Peninsula with relatives, died yesterday at the home of his brother, John G. Cain, and sister, Mrs. Sara Bogle, 402 Oak Grove Ave., following a second heart attack.

The first attack occurred the previous afternoon as he was walking on Oak Grove Ave. The

'Dimes March' Meets Success

Headed by a \$500 contribution made by Mrs. Domingo Ghirardelli of Hillsborough, the March of Dimes campaign in San Mateo County is having exceptional success, according to T. J. Hallinan, president of the organization sponsoring the novel means of raising money to fight infantile paralysis.

Tin banks placed in stores appear to be gathering in many dimes and other coins. Hallinan said. Banks have been placed in all schoolrooms also. Contributions have been received in theaters. In the Sequoia Theater alone, a total of \$293.47 was received in a week. Manager Hal Honore reported. The Redwood Theater is accepting contributions this week.

Up to Friday night, the following had sent in special subscriptions in this vicinity, Hallinan said:

Atherton and Menlo Park — H. Z. Baxter, Mrs. Sena Campbell, Mrs. Warrington Dorst, Mrs. Elizabeth B. Ehrman, Mrs. Rose E. Green, Thomas J. Griffin, Mrs. E. S. Heller, H. A. Irving, Joel Kaufman, Mrs. Frances W. Kimball, Frank B. King, H. N. Kuehler Jr., F. S. McGinnis, J. M. Manon Jr., Mrs. Nellie Miller Nickel, Mrs. C. R. Walter, Hutton Webster and Mrs. Alice White.

Redwood City-Woodside — Alma Atkinson, D. D. Bohannon, Paul B. Fay, Alexander Field, George R. Gay, F. W. Gibbs, Miss Myrtle A. Johnson, Mrs. Lillie A. MacCubbin, Mrs. Florence Magruder, Mrs. Sara Main, L. F. Prior, Frances Robb, Rudolph Schilling, Mrs. George B. Somers Belmont — L. A. Barrett.

San Carlos — H. F. Wrigley.

Thirteen buttons are used across the tops of trousers of United States sailors. They represent the 13 original states.

Menlo Park Fire District was summoned and Mr. Cain was removed by stretcher to his brother's home. He succumbed to the second attack yesterday.

Another sister, Mrs. Harry Malpass, and two nephews, Robert and Jack Cain, live in Menlo Park. The late Peter G. Cain of Menlo Park was a brother.

Funeral services will be held tomorrow at 2 p.m. at the Cain home. Interment will be in Cypress Lawn Cemetery.

Radio Station Seeks Location at Belmont

D St. George, Belmont real estate operator, disclosed here that a major San Francisco radio broadcasting station is seeking a location in the Harbor Development Co. property near Belmont. In the same area is the transmitter of KPO, Northern California's major NBC outlet.

While he asked that the name of the station be withheld, it was learned that it was a chain station which may seek a more powerful transmitter than that with which it is now equipped. Negotiations, St. George said, are in a preliminary stage but it is expected that definite information will come from a conference in Los Angeles this week.

St. George objected to establishment of a union garbage dump in the bay marsh area because of the prospect of selling the location to the radio chain.

GAMBLING ON LOVE

With her cards on the table—in more ways than one—Gale Sondergaard stakes everything on her ability to charm Tito Guizar, range bandit and raider of hearts, in this scene from their new picture together, "The Liano Kid," now playing at the Redwood Theater. "Flight at Midnight" completes the double bill.

2 Peninsulans' Pay Tops \$75,000 Mark

Two Hillsborough residents were among the 400 United States citizens listed today by the treasury department whose salaries exceeded \$75,000 during 1939.

L. A. Warren of 1904 Forest View Rd., president of Safeway Stores Inc., received a \$60,000 salary and other compensation for his services which brought his total income to \$105,169.

W. H. Berg of Carlands, Hillsborough, president of the Standard Oil Co. of California, received \$90,000.

Highest income of the year was that of a Massachusetts soap manufacturer, F. A. Countway, who was paid \$459,713, while Thomas J. Watson, head of International Business Machine Corp., received \$453,440 to rank second.

Santa Cruz County Asks Pension Liens

Santa Cruz County supervisors today prepared to follow the lead of the San Mateo County board in requiring property lien agreements from all property-owning old age assistance clients.

The county's position on the relief agreements is the same as that of Los Angeles County, it was disclosed by Supervisor George Morgan. Los Angeles County's state payments have been suspended pending outcome of an order to show cause hearing in San Francisco Jan. 29.

The San Mateo County board followed regulations of the State Social Service Board and required all old age assistance groups to sign the lien agreements.
